

Merchants Chamber of Uttar Pradesh and Kanpur Productivity Council jointly organized a seminar on the occasion of World Environment Day, at June 5, 2015.

Dr. I.M. Rohatgi, President, MCUP, welcomed the participants and said to be environmentally conscious.

Dr. Rohatgi presented a plant bouquet to the Chief-Guest, Sri Mohammad Iftikharuddin, I.A.S., Commissioner, Kanpur Division, on the occasion of World Environment Day.

Sri Mohammad Iftikharuddin, advised to plant at least one tree. He said that Every plant has its own importance in our lives and the world and in between two of the plants we can't determine which one is more useful and which is less helpful. So we should plant all different types of plants.

He also said we should focus its attention not only on plating tress but also their fitness is also very important whereby peoples could get benefitted throughout the world.

While sharing his experiences he told that:

- In general the number of plants was 2 lakh 40 thousand at Mlihabag, Uttar Pradesh. He provided the plants of mangoes at very low rate to the villagers and each family was advised to plant this tree at the rate of three whereby tne number of tress of mangoes increased up to 8 lakhs 40 thousands.

All the participants in the seminar delivered his speech on environment and everyone pledged to plant a tree on this occasion.

The seminar was conducted by Sri Dheuv Kumar Shukla, Director, Consumer Forum. And he also emphasized to plant a Tulsi and Pipal.

Following were present: Sri Deep Singh, Sri Y.S. Garg, CEO-FIEO(Federation Of Indian Exports Organization, Kanpur Chapter), Sri A.K. Sinha, Secy., Merchants' Chamber of U.P., Sri Alok Srivastava, FIEO, and the members of Merchants' Chamber and Productivity Council, Kanpur also present.
