Date: 21.2.2014

Dear Sir,

Subject: Energy saving techniques while designing multistoried buildings, residential colonies etc.

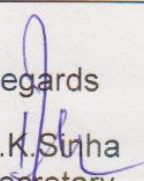

In order to promote the usage of energy saving techniques while designing multistoried buildings, residential colonies and buildings for various kinds of uses, the Real Estate Committee of Merchants' Chamber of Uttar Pradesh decided that Chamber must take initiative to organise a workshop on energy efficient buildings and interactive session on energy conservation techniques.

We had therefore requested Mr. Sandeep Verma from Petroleum Conservation Research Association (Ministry of Petroleum, Government of India) to conduct a workshop for the benefit of builders, developers and architects of the city.

Mr. Sandeep Verma has consented to organize a workshop on latest techniques of Energy Conservation with reference to energy saving and conserving at 3:00 PM on 26th February 2014 at Merchants Chamber of Uttar Pradesh.

We invite you to kindly attend the workshop and oblige. We shall be grateful for receiving your confirmation on our mail merchantschamberup@gmail.com

Regards

A.K. Sinha
Secretary
