Control Union Certifications has focused its efforts in developing services around the sustainability of the industry's supply chains which feed into the food, feed, bioenergy and textiles markets. With 'boots on the ground' in more than 70 countries, Control Union Certifications is uniquely placed to manage challenges with today's global marketplace. The development of a one-stop-shop approach has enabled Control Union to link services together, allowing you to leverage your investments in sustainability programs through a bundling system.

This reduces costs, while offering the greatest added value to your stakeholders' sustainable initiatives. By using multi-trained auditors, Control Union can reduce the audit fatigue faced by companies seeking to maintain multiple programs”.

We invite you to participate and benefit.

Kindly send participation confirmation to undersigned at merchantschamberup@gmail.com .
